General Expectations

Sacred Heart College's compulsory uniform expectations and rules have been expertly designed to promote community, inclusivity and practicality.

It is the responsibility of students and their parents/caregivers to ensure that uniforms are worn appropriately, to a high standard and freshly laundered. These rules apply during school hours, while travelling to and from school and while at school functions.

Students wearing the uniform incorrectly may be excluded from school until the problem is rectified. A signed and dated note from parents/caregivers will be necessary to explain any deviation from the prescribed uniforms.

Students must arrive at and leave the College in full Summer/Winter Uniform, regardless of Physical Education, Dance or Drama class commitments during the day, including during Periods 1 and 2. Students are expected to change into their Sport Uniform in the break before their class and change back into their

Summer/Winter Uniform in the break after class.

Exceptions to this rule are:

- House Shirt Friday.
- Students who are travelling to school for early morning practice in official College Sporting, Dance or Drama commitments. After early morning practice, students must change back into their Summer/Winter Uniform unless they have a practical Physical Education class before recess.
- Students who have Physical Education classes during the day and have changed into their Sport Uniform can remain in their Sport Uniform for out-of-school hours official College team commitments (e.g. NAS).
- Students travelling home following after-school College Sporting, Dance or Drama commitments.

Students riding bicycles to and from school must wear their Summer/Winter Uniform unless they have an early morning (before 8:00am) activity. Blazers can be carried in the school bag and helmets must be worn.

Please note that the old uniform (brown/red/white) has officially been phased out and cannot be worn with new uniform (grey/red/white) items.

This Guide provides a clear and detailed description of the College's uniforms. **However, please contact your Assistant Deputy Principal if you have any queries.**
