

KAROO PRIMARY SCHOOL

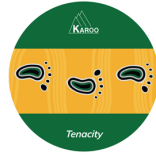

Always learning, together we make a difference

KAROO PS COLOUR RUN 2026

Social Story

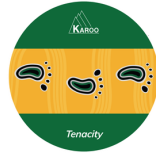

**Friday 1st May
4-5:30pm**

On Friday the 1st of May, Karoo PS will have our Colour Run.

We will run around our school and be covered in colours.

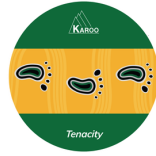

Our Colour Run is raising money for our school to upgrade our basketball courts and buy more decodable books!

To fundraise, I need to go to 'Shout for Good' and log into my profile and share the colour run with my friends and family.

Every little bit of fundraising helps!

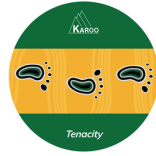

On the Colour Run day, we will go home from school at the end of the day.

Then come back to school dressed in a white T-shirt, old shorts and shoes.

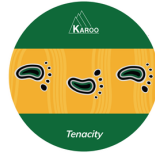

We will line up in our year level at the Colour Run start line.

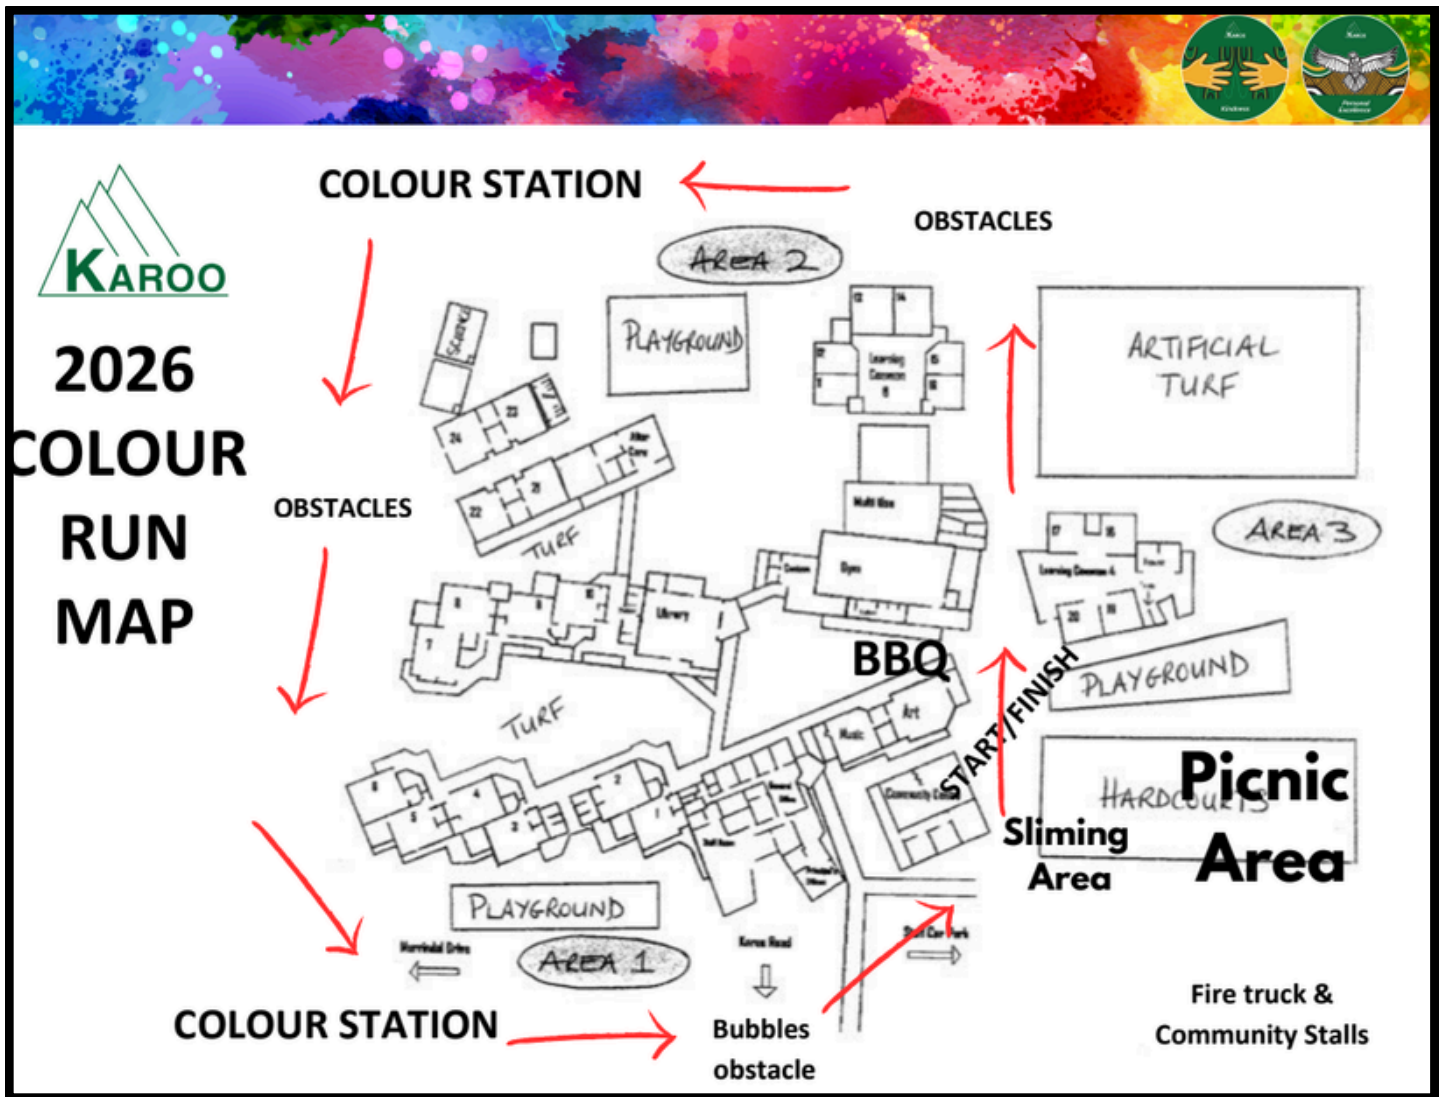

We will run around our school and be covered in colours.

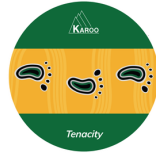

We will follow a special course.

→ Course pathway

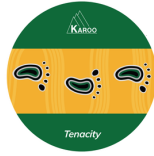

Colours will be thrown on us as we run past the colour stations on the colour run course.

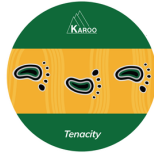

The coloured chalk powder will land on us. We will be bright and colourful by the end of the Colour Run.

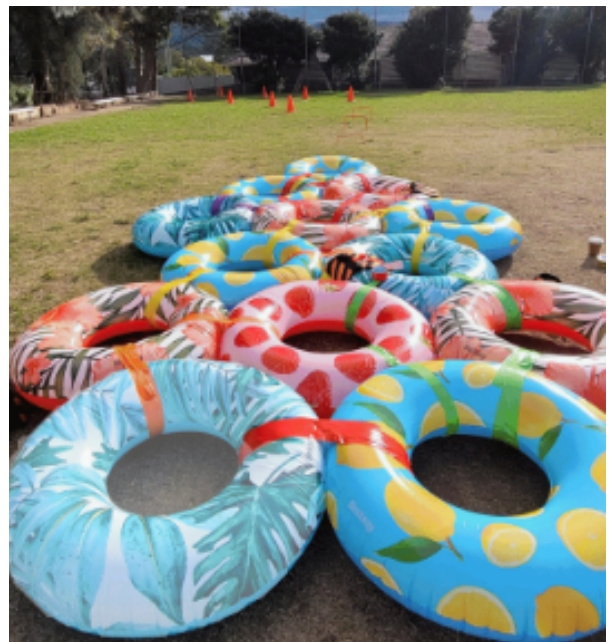

If I do not want colour on me. I can tell my parent/carer and speak to my teacher.

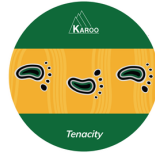

I can then wear a special badge at the Colour Run, so that the teachers and helpers know not to throw colour.

On the Colour Run, we will go through lots of fun obstacles, like pool noodles, streamers, mazes, swimming rings and bubbles too!

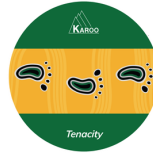

Once we have completed our Colour Run, we will gather with our school to announce the winners of the Colour Run Fundraising Prizes!

rebel

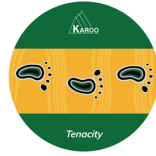

The prizes go to the students who raise the most money in their fundraising!

After the prize winners are announced, we can watch the teachers being slimed!

If I raise over \$30 in my fundraising I might even get to slime a teacher!

Our Colour Run is a fun and colourful way for our community to come together and raise money to support our school!

Happy Colour Run Fundraising
&
THANK YOU for supporting our SENSATIONAL
school!
