

WEEK 3 & 4	TERM 4	UPCOMING BIRTHDAYS 
		<p>October Charlie 15/10 Keshara 18/10 David 19/10 Markiian 19/10 Matthew 20/10 Charlotte 30/10</p> <p>November Eleanor 11/11 Aston 14/11 Mia 15/11 Marcus 23/11</p>
	MONDAY	
	TUESDAY	
	WEDNESDAY	CLASS SPORT (PE)- wear sports uniform. Library books due back
	THURSDAY	
	FRIDAY	LEVEL SPORT-wear sports uniform Assembly 2:45pm
RELIGION 	<p>Throughout this unit, students will learn about the books of the Bible. They will learn to identify the ways God’s people are portrayed in the Old and New Testament stories. They will learn that the Bible has key messages: Love all, Treat Others how you would like to be treated, Respect everyone. Towards the end of term, students will reflect on encounters with the Word of God and describe how it is lived out in the community.</p>	
LITERACY 	<p>The students will continue to attend daily spelling sessions where they will revise previously taught sounds and irregular words. They will also learn to read, write and spell new sounds and irregular words. The grade 2s will be focusing on saying and spelling the sounds: -ish, -y, -ness and -ment. The grade 1s will be focusing on saying and spelling the sound: un-, the doubling rule with -ed/-ing and -er/-est and the drop -e rule.</p> <p>In Literacy, we will continue to read and focus on The Velveteen Rabbit. The students will continue to decode new words, expand and develop their sentence writing, and they will also focus on the different features within this story. They will be reviewing narrative writing and using their knowledge of narratives to help them focus on features of the text, such as characters and figurative language.</p>	
MATHS	<p>The Grade 2s will be learning about fractions. They will be learning to recognise and describe one-half as one of 2 equal parts of a whole and connect halves, quarters and eighths through repeated halving.</p>	

12345
67890

The Grade 1s will be learning about length. They are learning to measure the length of shapes and objects using informal units, recognising that units need to be uniform and used end-to-end.

INQUIRY

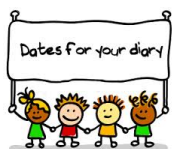

The students will be learning about our senses. We will also be learning to link changes in the daily weather to the way we modify our behaviour and dress for different conditions.
