# **38 Army Cadet Unit Shepparton**

## **“Strength Through Knowledge”**

### **General Information:**

Cadets parade every Wednesday night, during school terms, at Somme Barracks, Soboran St, Shepparton between 6:30pm and 9:30pm.

The joining age is 13 years if the cadet turns 13 in the same calendar year as joining. The maximum joining age is the day prior to turning 17.

Cadets spend Wednesday nights learning skills such as navigation, first aid, radio communications, field craft, field engineering, survival, and drill. We also provide at least one weekend camp per school term where we practice the skills learnt on Wednesday nights. There are a number of additional activities that we may participate in e.g. ceremonial activities.

A cadet is provided with most uniforms and equipment on a loan basis, free of charge. Some gear that a cadet needs to supply themselves is a good sleeping bag (at least -5 degrees), torch, thermals, beanie and gloves.

Most camps are free, however, you may need to supply your own food. If food is supplied by the unit a small fee may be charged to cover that cost.

Annual Fees are \$100 per year.

**If you are interested in joining,  
come and visit us with your Parent of Guardian on any parade  
night.**
