

A NEW adventure awaits!

Are YOU ready?

Venturers are young people aged between **14 and 18 years old**, dedicated to fun, adventure and serving the community.

When you're dealing with your **toughest years in school** and making decisions about your future, Venturers offer vital breathing space. You can focus on friendship and personal growth, while picking up valuable life skills along the way.

Venturers enjoy **interstate, national and even international travel experiences**. We take time out to work on mental and physical well-being. You can learn to fly, abseil down cliffs or climb mountains.

Camping steps up to a whole new level of adventure, with snow challenges, rafting, horse riding and scuba diving. It's all about **healthy risk-taking**, when so many young friends are making unhealthy choices.

Venturers are **self-directed**, they organise their calendar of events and chose the activities and adventures they'd like to attend.

The awards system really steps up in Venturers. Your achievements can earn **vocational qualifications**, recognised across Australia or you can use your Scouting experiences towards your VCE.

The Queen's Scout Award, the highest award for Venturers, is so **highly respected that several universities will recognise it for entry purposes**.

You don't need to have any previous Scouting experience. We'll help you catch up.

Venturers can help you **find your way** in life!
