

Concert Order – Come Fly with me
Concert Date: Monday 8th September

Dear Parents and Carers,

Our concert is almost here! This year, our focus is on **simplicity and unity**:

- Students wear an all-black base (plain black top and bottoms with comfortable shoes).
- **Each child only needs 1–2 small accessories per song** — these are just suggestions to help you choose.
- You do **not** need to purchase everything on the list.
- Accessories can be things you already own or can borrow.
- This keeps the focus on the students' faces and performance, saves families from sourcing full costumes, and makes changes between numbers quick and stress-free.

Below is the full list of **each class's songs with suggested accessories**.
