

February 2026

To the Resident,

### **Play your way at Namatjira Park, Clayton South**

We're excited to be upgrading the playground at Namatjira Park in Clayton South! We know play is important to the community, so we are expanding the playground space to become two play zones (concept plan overleaf).

Zone 1 includes an upgrade of the existing playground, while Zone 2 is an additional playspace that we are seeking to deliver (subject to funding) to futureproof play at Namatjira Park. The draft design, and both zones has been developed based off feedback received in 2025, and to offer an inclusive experience and play environments for all.

#### **Zone 1**

- Double flying fox
- Mega Swing
- Addition of a new custom multi-unit (featuring climbing elements and slides)
- Bush hut cubby
- Accessible carousel
- Artistic seating

#### **Zone 2**

- Climbing hut and timber play teepee
- Multiple swing sets (for all ages and abilities)
- Hand-carved totem pole, jungle drum, tactile sculpture and timber chimes
- Talking tubes
- Nature play

The existing large trees will be retained.

#### **Have your say**

We are seeking feedback on both zones, share your thoughts via:
