

Dear families,

Is your child interested in cricket?

If so, we are seeking an expression of interest for students in Years 2-7 to be involved in school cricket competition, in the following grades.

Kanga cricket - Years 2 & 3

C Grade - Years 4 & 5

B Grade - Years 5 & 6

A Grade - Years 6 & 7

To make this happen we are seeking parent volunteers to coach/manage teams. All coaches/team managers will need an up to date RAN training and a DCSI Working With Children Screening.

Cricket fees will be advised at a later date.

If you are interested please email
