Dear Ms Hilton and Students

Thank you for taking the time to send me an email and a video message recently.

I very much appreciate your kind words and support during these challenging times, and was impressed by your enthusiasm for your production of "Cinderella".

I hope it that it all went well and that your family and friends enjoyed watching the performances.

Keep studying and growing, and I wish you all the best for your future goals and dreams.

Again, well done – your support is greatly appreciated by myself and my team.

Yours sincerely
