

ST THERESE'S PRIMARY SCHOOL

10th November, 2021

Update for Foundation 2022 Transition Program

Dear Parents/Carers,

We look forward to welcoming your child to St Therese's Primary School next week. The following is reminder and update of what is occurring to prepare your child to begin primary school.

The information session for parents will take place on Wednesday November 17 at 7pm – 8pm. This is a virtual session. [The link for the session is HERE.](#)

The information presentation has been pre-recorded and can be accessed at any time. [Please click on this LINK to download the presentation.](#) The Foundation teachers and Leadership Team will be online next Wednesday at 7pm to provide information and answer any questions you may have.

2022 Foundation children, their parents, guardians and carers and/or early childhood educators are permitted to visit the school site to support the transition of children into Foundation in 2022.

The orientation sessions are;

- Thursday November 18 at 4pm-5pm
- Thursday November 25 at 4pm – 5pm
- Thursday December 2 at 4pm – 5pm

All eligible adults attending the Foundation 2022 Transition Program must be fully vaccinated, unless an exemption applies and must comply with density limits, face mask requirements, QR code check-ins and practise respiratory etiquette and good hand hygiene. For those parents who are unvaccinated, we kindly ask that you arrange for a vaccinated adult to accompany your child to their orientation sessions.

Please do not arrive any earlier than 4pm with your child as we need to wait for all students to be dismissed at pick up time before allowing the kinder children and their parents onsite.

Please follow the directions of the staff who will show you the way to the sign in area. Staff will be asking to see evidence of vaccination at sign in.

We look forward to seeing you soon.

Yours sincerely,

Michelle Bruitzman
Principal
