WHAT'S BEEN HAPPENING

Hello Fairfield Families,

What an amazing term 4 we have had here at TeamKids this year!

From Week 3 – Week 8, children took part in their suggested Clubs for this term. These included Hama Bead Club where children further developed their fine motor and creative skills while making some amazing creations. Science Club was very popular and children learnt to hypothesize, test their ideas, and reflect on their findings, which strengthens their critical thinking and problem-solving abilities. During our Dance Club, children were able to express themselves freely and creatively which enhanced their self-awareness and boosted their confidence. Children learnt many cultural dances which included the Haka, Line Dancing, Break Dancing & the Hula. This helped children appreciate and understand diversity.

On Mondays, children participated in a nationwide competition held through TeamKids where they were able to create their own Gingerbread Village. This was extremely popular and children showed off their creative skills, team work and problem solving skills.

Summer Holiday Program Bookings are now open! Please login to your account and secure your child's booking to enjoy all the fun.

TeamKids Fairfield wish you a very Merry Christmas and a Happy & Safe New Year. We will see you all in 2025.
