

## PARENTS

# KISS & GO and Parking Guidelines

Schools are often challenged with parking and traffic congestion but with your help, we can continue to make sure everyone is safe, particularly our students.

- Be considerate to all users of this area.
- Be a positive role model.

Adults using the gates during the day eg. late arrival or alternative arrangements, are asked to secure the gate with the gate bow.

### PARENTS (drivers)

- The Kiss and Go Zone is accessible at 8.45am and 3.30pm.
- Adults delivering/picking up children to use the footpaths entering the school. Please do not walk through the staff carpark.
- Parking in the KISS and GO zone is prohibited. Adults found in this area will be asked to move their car.
- Drivers using the Kiss and Go at 3.30pm are to have a white, A4 sign in the dashboard with the family surname clearly seen in the dash board.
- Driving through the staff carpark as a thoroughfare is prohibited.
- Drivers are to queue in one line.
- Drivers are NOT to overtake vehicles as this is a safety concern for staff escorting students to the opposite side of the car. Drivers are to be patient.
- Drivers are to ensure seat belts are secure before driving.
- Drivers are to be considerate and do not overstay your time in the loading zone.
- In the afternoons, if your child is not ready for your pickup, drivers will be asked to 'do a loop' and re-join the back of the queue. Any disagreement will be reported to the Principal. Note: If you arrive between 3.40 and 3.45pm, the traffic flow has dramatically improved.

### PARENTS

- The carpark is for CSPS employees ONLY.
- Families are to park in a parking bay on Browns and Pearcedale Roads.
- Adults are to abide by school, traffic laws and local road rule expectations.
- Adults who park illegally eg. along roads where there are no official parking bays, on the nature strip park or at the Cranbourne South Store, do so at their own risk.
- Kiss and Go users are highly encouraged to turn left into and out of the Kiss and Go on Browns Road to assist with traffic flow.
- Kiss and Go users travelling on Browns Road from Westerport Port Hwy will be highly encouraged to do a u-turn at the Browns Rd/Pearcedale Rd roundabout and then turn left into the Kiss and Go.
- Parents who require special parking consideration are to discuss their needs directly with the Principal class and will be documented accordingly.

**Any misbehaviour from adults, including swearing, abuse and road rage inc towards the crossing supervisor or traffic controllers will be reported to the Principal class to address accordingly and will be documented. If misbehaviour continues, use of the Kiss and Go will be removed and authorities may be involved including notification to Vicroads, City of Casey and the Police.**

### Tips

- Ensure ample time to drop off/pick up students to allow for safe use
- Park a slight distance away from school, park and walk - a terrific way to get some fresh air
- If age appropriate, encourage students to walk, ride, scooter to school to develop independence.
