# Readathon

4<sup>th</sup> – 18<sup>th</sup> August 2025

What is a Read-a-thon, and how does it work?

- A read-a-thon is just what it sounds like: a reading marathon that lasts for two weeks!
- Get comfy with a chapter book, a picture book, a novel, a graphic novel, an audiobook or a story from Story Box Library and read for as long as you can, and you could win some prizes, get smarter and help your community!
- Each day, write down the total number of minutes that you spend reading and have your grown-up initial your record
- Ask your friends and family to sponsor your reading.
- At the end of the read-a-thon, click the QR code and fill out the Google form to register your participation.

We can't wait to see what you have been reading! All money raised will go directly to the library!

NAME:

YEAR LEVEL:

\*Colour in each 15 min block as you go!

| Book Title | 0-15 min | 15-30 min | 30-45 min | 45-60 min | Parent/Teacher to sign |
|------------|----------|-----------|-----------|-----------|------------------------|
|            |          |           |           |           |                        |
|            |          |           |           |           |                        |
|            |          |           |           |           |                        |
|            |          |           |           |           |                        |
|            |          |           |           |           |                        |
|            |          |           |           |           |                        |
|            |          |           |           |           |                        |
|            |          |           |           |           |                        |

\*Colour in each 15 min block as you go!

[illegible]

Please record your tally by 20th August by scanning this QR code and filling in the Google Form. This form is for your records only.
