Literacy

Charlotte's Web

We are well underway in our book study of Charlotte's Web. As we have been reading the novel, we have been watching the original cartoon movie. The students have thoroughly enjoyed comparing the novel to the movie, as there are some minor differences.

In Week 10 & 11, we will be writing an information report on the novel, followed by watching the 2006 Charlotte's Web movie.

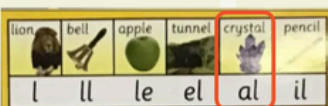

Focus Phoneme

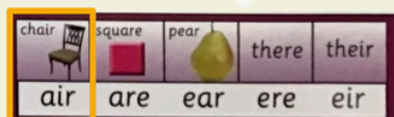

We have just finished learning about the /l/ phoneme and the different spelling choices that make we can use to write this sound.

We will spend the last two weeks of school learning about the r controlled vowels.

We are finishing off the year consolidating our addition, subtraction, multiplication and division strategies.

Students will be using MAB to identify the place value of each digit in a number.
