MMG ✦ Education

Dear Parent,

In 2022, I commissioned an independent, confidential 'experience' survey of all school parents (Pre-Prep to Year 12) and students (Years 6 to 12) as part of our commitment to continually monitor and improve the quality of education we provide to our students.

This information is most important for the College for our operational and strategic planning, as well as for tracking changes in our performance.

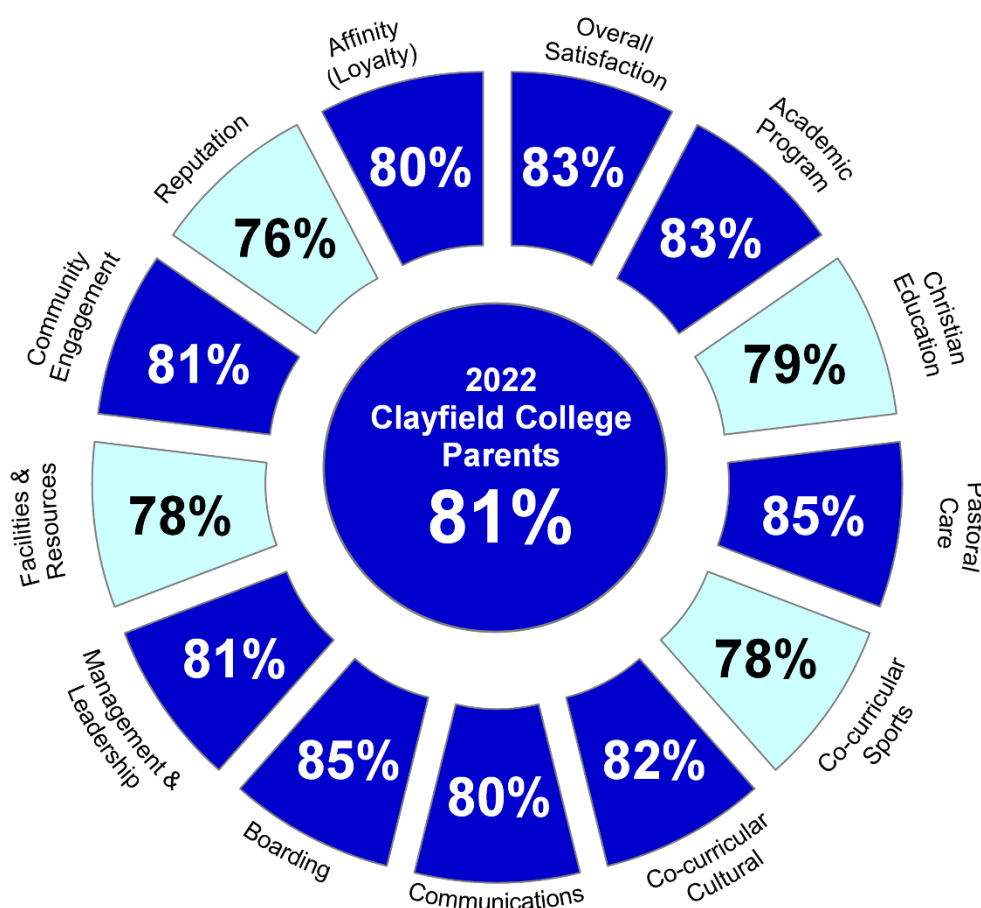

For the 2022 review, a total of 198 parents completed the survey.

The surveys were extensive and covered in excess of 300 aspects of education at the College.

### Overview of Key Areas

The 'MMG Wheel' below reflects the average scores for all parents across key areas.

Parents noted 'very high' scores for 9 of the 13 areas and 'high' scores for the remaining 4 areas. The overall score is 'very high' (81%).

Very low	Low	Moderate	High	Very high
<50%	50%-<60%	60%-<70%	70%-<80%	80%+

## Expectations Met or Exceeded

The following charts detail the percentage of parents who noted their expectations had been met or exceeded across key areas, ranked in order of the importance they placed on these same areas when choosing the College for their children. For example, 90% of parents noted their expectations had been met or exceeded for 'quality of teaching' – the noted most important area.
