

HEALESVILLE SANCTUARY

Monday the 24th of July we had to be at school by 8:30 because we had an excursion to Healsville Sanctuary so you had to be ready. When we got on the bus Lacie my best friend had popits so I got to play with them. It was so fun when we were done playing Lacie was making fun jokes they were so funny. When we arrived at Healsville Sanctuary we sat down some were and had a snack I had mini pancakes for a snack. After the snack we went to look at the kangaroos because we had a lesson after the kangaroos. At the lesson we made leadbeaters possum and orange bellied parrots boxes to nest in. After that we got to look at a lot more animals before we watch the bird show. I have been to Healsville Sanctuary so I know what they do at the bird show. The second animal that we looked at was the night walk for nocturnal animals so we can see them awake. When it was time to go to the bird show we walk to the place 3B was the first class to be there and we got front row then 3A came and sat behind us and then 3C came too. The bird show started at 12:00 when it started some people came out and staved us the first bird it was cool. At the end of the bird show a cockatoo came out and pecked two strings and then a sign said THANKS FOR VISITING. After the show we had two hours left so for the two hours left as a whole grade we went in the reptil house it was so cool. After we looked at the reptils my tummy started to rumble but luckily we were having food so that was good. Once it was time to leave we hopped on the bus I sat with Lacie Rebecca sat in front of us and Xavica sat behind us. When we got back to school we grabbed our bags and I dashed to my mum and my dog and I screamed "HEALSVILLE WAS THE BEST!!!" and that was the end of the day.
