AFP Forensics Work Experience Program

The Australian Federal Police (AFP) is a progressive and multi-faceted law enforcement organisation taking a strong lead in the fight against 21st century crime.

The AFP Forensic Training Team now host a work experience program targeted at students enrolled in years 10, 11 and 12.

The program is designed to give high school students an understanding of what a career in forensics involves, and the opportunity to engage with AFP members working in contemporary forensic roles. Candidates who are keen to pursue a career in a science-related field and who have a demonstrated interest in Science, Technology, Engineering and Mathematics (STEM) are encouraged to apply.

This program has two intakes per year to spend one week in Canberra.

Applications for 2022 are closed but now is the time to register your interest for the 2023 program.

In addition to the Work Experience Program, the AFP will be running a one day virtual seminar "A Day in the Life of an AFP Forensic Scientist", open to all applicants on 22nd August 2022 and 29th November 2022.

Searching for Scholarships

- Scholarships are awards of financial aid based upon a criteria which reflect values of the donor or founder.
- Scholarships are useful for expenses such as tuition fees, accommodation fees, textbooks, utility bills and general living expenses associated with living away from home.
- Scholarships can be found directly through institutions, networking with family, friends and careers teachers, using an online google search or using a scholarship search engine such as the Good Universities Guide scholarship tool.

Have a go at using the [Good Universities Guide](#) to search the database for scholarship opportunities. You can filter by state, field of study, needs-based categories to find your eligible options.
