These events are only possible when we have enough volunteers

The deliverers are the absolute heroes on the day! The kids love everyone who brings them food, especially when it includes sweet treats!
Kids also love seeing their parents at school events.
So come along and join the fun!

Important note from the principal, deputy principal and the P&F:

Parents, please note that Food Days are a P&F fundraising activity. The P&F works hard to ensure you are given enough notice to organize an order for your kids, and also provides ample contact details and information for you to provide feedback. If you do not want your children to participate in the Food Days, or you miss the cut-off date to order,

Please DO NOT bring fast food or other special foods to the school for their lunch.

You are welcome to pack a special lunch for your kids to take in their lunch box in lieu of getting a Food Day lunch.
