Parent information night

Alcohol, drugs and safe partying

Partying, particularly nightclubbing, can strike fear into the heart of any parent.

Drugs, alcohol and binge drinking can be difficult topics to talk to your children about. So how do you do it in a way that doesn't make your kids say: 'Whatever mum — what would you know?'

This seminar will discuss ways to communicate with teenagers about a range of issues that relate to safe partying.

Guest speaker:

Whole New World Education Seminars —
Sonya Karras

Topics include: the inside info on partying; how to make sure your child parties safely; safe parties at home and staying informed and up-to-date.
