

# Parent/Teacher Interviews

Parents are reminded that Parent / Teacher interviews are scheduled to be held in weeks 8 - 10 of this term. This is a key component of our reporting process and a valuable opportunity for parents to meet with teachers and discuss their child's progress. This partnership between school and home is crucial and we encourage ALL parents to participate in this important meeting. If for any reason you are unable to attend a meeting during the times which are available you are asked to contact your child's teacher who will be keen to arrange an alternative time to meet.

A screenshot of the 'School Interviews' website. The header is dark grey with the 'School Interviews' logo on the left and three green buttons labeled '1', '2', and '3' on the right. The main content area is light grey and contains the text: 'To make a booking, please enter the event code:'. Below this is a text input field containing 'ysqx6' and a green 'GO' button. Further down, it says: 'Your school provides the event code, usually in a link in a newsletter or on their website. If you've already booked, the confirmation email we sent you also contains a link.' At the bottom right, there is a small copyright notice: 'Copyright © 2017 Virtual Industries Group'.
