

# Welcome To Kids Unlimited

Dear Doherty's Creek Parents,

The team at Kids Unlimited are thrilled you have enrolled your child into our program/s at the school. To ensure everyone gets the most from the program, we wanted to clearly communicate the expectations set by the school and Kids Unlimited.

## Program Requirements

### Keyboard

All students are required to have an instrument at home to practice their music regularly. We are fortunate that the music coaches can supply us with keyboards for the school lessons this term, but the expectation is for each child to bring their own equipment,

We recommend the Hemingway HK100 - they are approximately \$169.

We also recommend [Alfred's Basic Piano Library Lesson book 1A](#). \*This is not compulsory but will help them to work at home\*.

### Guitar

All students are required to have an instrument at home to practice their music regularly. The school has managed to loan some guitars for this terms use by students during their lessons but they will need to have an instrument at home. Unfortunately, this instrument cannot be supplied by the music program as students require different size guitars.

We recommend Valencia 3/4 size guitars for kids grades 4-6 and 1/2 size grades prep-3. They are approximately \$100-\$115 at most stores.

### Coding

Kids Unlimited provides all materials for this class but students are welcome to bring their own device if preferred.

### Singing & Dance

No special equipment is required.

## Student Collection & Late Pick-Up Fee

Parents are required to collect their child promptly from the class or hall. No children are allowed to meet parents in the schoolyard, this is for their safety.

A late pick-up fee applies if students are not collected promptly after the class. Please ensure you are on time as this can be distressing to your child.

**\*\*NEW\*\* CHESS PROGRAM STARTING MONDAY 20TH MAY at 5pm - 6pm.**

Due to the short program (5 week), the fee has been reduced to \$100 per student. To enrol directly into the class [click here](#).
