

# 2027 MNHS UPDATES

## Age and placement requirements

Our Faculty has established specific age requirements for the majority of courses with placements. Underage applicants who cannot meet this requirement are not eligible for an offer. Please refer to the mandatory compliance web page for additional information.

- Bachelor of Nursing
- Bachelor of Nursing (Scholars)
- Bachelor of Nursing and Bachelor of Midwifery (Honours)
- DoTS (Nursing)

Applicants must be 18 years of age by 30 September of the first year of the course in order to meet the mandatory requirements for clinical placements.

- **Bachelor of Occupational Therapy (Honours)** Applicants must be 18 years of age by 1 July of the first year of the course to meet the mandatory requirements for practice education placements.
- **Bachelor of Paramedicine** Applicants must be 18 years of age by 1 June of the first year of the course to meet the mandatory requirements for clinical placements.

compliance details

- **Bachelor of Physiotherapy (Honours)** Applicants must be 18 years of age by the start of the second year of the course to meet the mandatory requirements for clinical placements.
- **Bachelor of Radiography and Medical Imaging (Honours)** Applicants must be 18 years of age by 31 March of the first year of the course, to meet the mandatory requirements for clinical placements.
- **Bachelor of Speech Pathology (Honours)** Applicants must be 18 years of age by the start of the second year of the course to meet the mandatory requirements for clinical placements.

- **Personal Protective Equipment (PPE) - Medicine & Nursing** students will be required to wear PPE to prevent the transmission of COVID-19 and other infectious illnesses on clinical placements. The removal of facial hair may be required for fit testing of masks as a lawful and reasonable direction by healthcare settings.

- **Work-based placements** Many MNHS courses require students to travel to metropolitan and possible rural settings for mandatory placements, which are essential for completion of their course. In the field/clinical/practice education setting, students will have an opportunity to apply theory to practice under supervision.
- **Students will be required to meet the fieldwork costs, including:** uniform costs, travel and accommodation costs, mandatory compliance (including, immunisation requirements, working with children check, NDIS, and police checks).
