

The Rosanna Primary fair is aiming to have a variety of inflatable fun for all kids.

We thought that parents may want to show their kids what is on offer before purchasing a ticket. All images below are courtesy of Aussie Events and Amusements. Some rides have height or age restrictions.

We have kept costs as low as possible so that as many kids can participate on the day, however we have had to increase the price from last time as the costs of hiring the rides have increased substantially.

For the cost of \$35 per child (or see discounts for multiple children below) your child will have unlimited access to the rides, for the entire duration of the fair. We do have single ride passes for \$5 as well.

Please scroll to the end for all ride pass options as well as the terms and conditions.
