

ACC 2027 Art and Technology Exhibition Logo Design Competition

The ACC schools are joining forces to celebrate and promote the Arts and Technology via our sixth exhibition planned for May 2027. The Exhibition will be held at Fed Square in Melbourne, and will feature works from each of our member schools across all year levels. As part of the planning and promotion of this event, a logo design is required that will feature on the official programme and advertising material. The student whose winning entry is chosen will receive full recognition for their achievements as well as a gift from the Exhibition sponsor.

The Art and Technology areas included in the exhibition are:

- Art
- VCD
- Photography
- Ceramics / Sculpture
- Multimedia
- Digital Art
- Systems Engineering
- Food & Technology
- Product Design & Technology – wood, metal, plastics & textiles

The competition is open to all 2026 students in years 7-11. You are invited to submit entries to the logo competition for the chance to have your work selected and used as the official logo on the Exhibition Programme and all promotional material – newsletters, posters and website articles.

Entries must meet the following criteria:

- Must include the acronym - **ACC**;
- Incorporate the words **Art and Technology**;
- Reflect the artistic nature of the event;
- Colour is not a limitation;
- Size for the logo presentation is **recommended** as 150mm x 150mm;
- The work must also be saved and submitted by the student as a high-resolution PDF file that can be altered if necessary.

Entries need to be submitted to your school's Visual Arts Coordinator and close on

Monday 7th September 2026

Below are the logos selected as the winning entries in 2013, 2015, 2017, 2021 & 2024. For further information, please contact Head of Arts, Ms. Pritchard - jpritchard@stpats.vic.edu.au
