

# Term 2 report

Brighton Beach

**TheiCare**  
Where Kids love to be!

**Term 2 has been so exciting!**

**Our favourite highlight has to be seeing the children's faces when we got our new pet fish! Everyone has loved walking past the service each day to check on our new pets!**

**Fish, And, Chips have brought many things to our service. Their calm energy has provided a peaceful element to our space and their need to be fed has lead to the development of some leadership roles!**

**The sense of care and responsibility our new pets have brought out in the children is something we are very proud of.**

**Olivia, Claire and Cameron**

# Week 1

## Music Week

For music week we had a lot of fun activities that we really enjoyed! We spent the week listening to our favourite songs. We played musical statues, made instruments out of paper plates and cups, did some karaoke and just dance. At the end of the week we watched Alvin and the Chipmunks whilst enjoying some popcorn.

**MUSIC WEEK**

**TUES**  
The weather was beautiful today so we spent lots of time outdoors. BBPS has a brand new basketball court which we enjoyed testing out 😊

**WED**  
Today we played musical chairs! Raffy was our winner - he was very quick! Then we all went outside to enjoy some outdoor play.

**THURS**  
Today we met new mentor coordinator Jess! she was so lovely and we had a great afternoon with her. We played musical statues and listened to our favourite songs!

**FRI**  
This morning we started with some relaxing music to start our day. Everyone was quite tired so we took things slow and enjoyed some quiet play. We are looking forward to watching Alvin and the Chipmunks afterschool to finish off the week!

# Week 2

## Kids choice week

Everyone loved kids choice week as it was a fun way to ease back into the term. The week involved a lot of construction, brain breaks, obstacle courses, paper planes and group games. At the end of the week we had some delicious hot chocolate and watched Shrek.

# Week 3

# Under the sea week

For under the sea week we did some sea life coloring in, under the sea crosswords and pin the tail on the whale. This week we got a brand new cafe which the kids helped to put together.

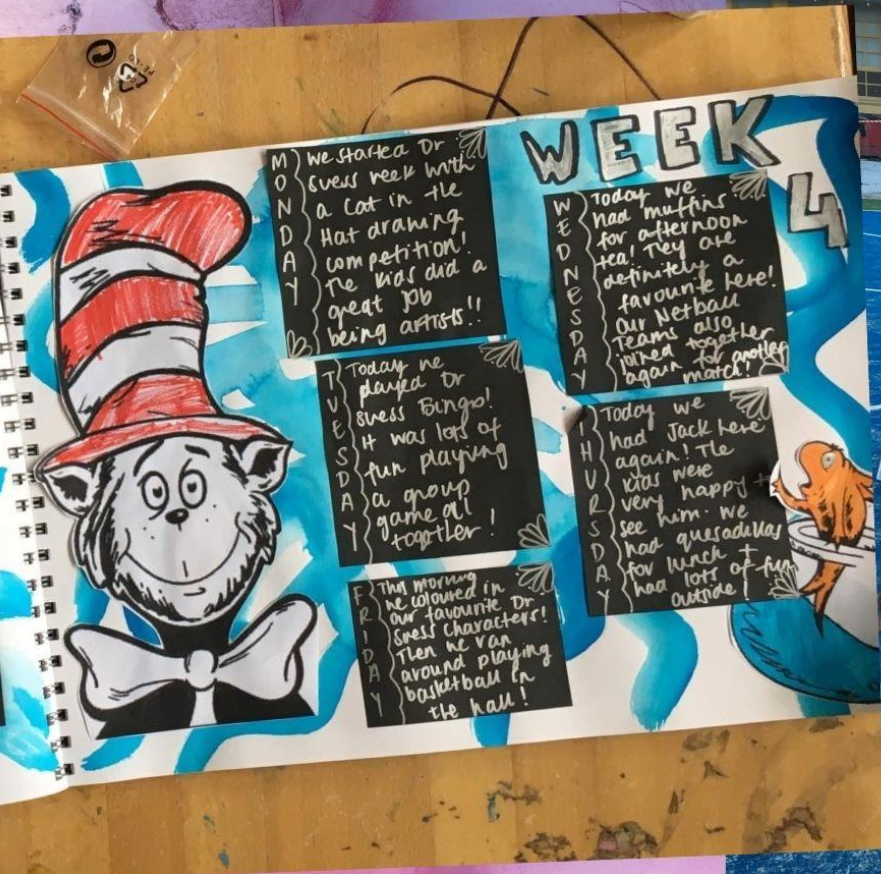

# Week 4

# Dr Seuss week

We started off Dr Seuss week with a cat in the hat drawing competition, we played some bingo and coloured in our favourite characters. We had a group netball game that was run by the kids.

# Week 5 Sport week

For sport week we played so many games! Our favourite was heads, shoulders, knees and cones. We got the chalk out and played giant naughts and crosses on the pavement. We got to go through the sports shed and pick out our favourite equipment to play with.

# Week 6 Space Week

Space week was super fun! We did some astronaut colouring, played a lot of games and at the end of the week watched space jam. The children have been helping out with feeding the fish!

# Week 7 Fantasy week

For fantasy week we made our own mythical creatures, coloured lots of fairy tale pictures and played pirates treasure. We have lots of karate kids come to after care on Tuesdays, they show off their moves.

# Week 8 Superhero week

Superhero week was one of our favourites. We designed our own superheroes, made plastic cup heroes and did lots of superspeed racing outside. At the end of the week we had a pupil free day. We made tie dye socks, fruit skewers and watched a movie.

# Week 9 Winter week

Last week of the term was Winter Week! We enjoyed lots of arts and crafts this week like snowflake art, cotton ball snowmen and we got to watch Frozen on the last day of term!

# Our favourite thing to do this term

The children have loved looking at all the beautiful rainbows that the new season has been providing us with. We go outside and admire them with our friends.
