

St James Brighton Primary School

Term 3

VISUAL ARTS

TERM THREE

To begin Term Three, all classes will be working on collaborative projects to culminate in one beautiful piece of artwork per class or level. These artworks will then be framed and up for auction at the St. James' Major Fundraising Event on August 24th. Each class or level will have their own theme/inspiration which will direct the work of art. The completed pieces will be a range of 2D works with the use of varying styles and materials. The pieces will be available for viewing on the school's instagram page prior to the auction so that prospective bidders may have a sneak peak before the big night!

Following on from the creation of the collaborative art pieces, the Visual Arts curriculum will be complementing the Connected Learning topic of Space - To Infinity and Beyond.

F - 4

The students throughout levels F - 4 will be creating artworks using a variety of materials and mediums which explore the beauty of space, either viewed from the earth or from outer space itself. The students will explore and discuss colour and texture in and around their natural world. The students will experiment with mixing paints and inks with non-toxic household ingredients, such as salt and corn syrup to create different effects.

YEAR 5 AND 6

The senior students will be creating an image of an imaginary creature from another planet. They will use their image as a design to create a 3D 'softy' - a stuffed toy, made predominantly with felt. The students will learn and use a range of stitches, pattern making and various ways to attach accessories to their softy. They will also have the opportunity to learn to make pom poms, tassels and other adornments.

We can't wait to see what our St. James' artists come up with this term!

SPECIALIST TIMETABLE

Week A

		9 - 10	10 - 11	Recess	11.30 - 12.30	12.30 - 1.30	Lunch	2.30 - 3.30
