Receiving an offer

This year, current Year 12 students applying for courses through VTAC for 2020 will be eligible to receive a course offer in December, just after your ATAR comes out. You will still be eligible in the existing offer rounds in January and February as well, but an extra December round provides you with the additional chance to receive a course offer.

December offers will be released at 2pm, 18 December 2019.

Accepting an offer

Receiving an offer does not confirm your enrolment in the course. To secure your place, you must follow the enrolment instructions in your offer message. In some cases you may be required to attend enrolment in person on a specific date and time.

If you can't attend enrolment

If you are unable to attend at the specified time, you should ask whether the institution allows an authorised nominee (someone you choose) to enrol on your behalf.

If you have any questions regarding your ATAR results, change of preference or any course enquiries you can call or email the pathways team on careers@crtsydenham.net.
