

WORLD OCEANS DAY BEACH CLEAN AND PLASTIC WASTE WORKSHOP

SUNDAY, 13 JUNE

BEACH CLEAN | 9AM - 11AM
MEETING AT ANZAC PEACE PARK

PLEASE BRING GLOVES, ENCLOSED SHOES AND A
REUSABLE REFILLABLE WATER BOTTLE. BE SUN SMART.

PLASTIC WASTE WORKSHOP | 11AM - 12.30PM
GREAT SOUTHERN MUSEUM CO-OP BUILDING

Beach Clean:

Australia's coastlines have never been more vulnerable. Our oceans are drowning from the tidal wave of plastic pollution. For marine life, this means the fight to survive each day is relentless. Bring your family and friends, grab a bag, and join Sea Shepherd Albany defend, conserve, and protect our oceans.

Plastic Waste Workshop:

Dr Paterson has been studying plastic on our beaches for the last six years and is interested in helping people identify 'Frivolous', 'Cryptic' and 'Dumb' plastic in everyday life to help people reduce their plastic consumption. Please bring along a piece of unwanted useless plastic for the activity.
