

A few of the messages received from families:

I want to say how impressed I am with how quickly and effectively the remote learning has been set up. I can only imagine how much extra work this has been for everyone and I'm sure not everyone is happy, but I just wanted you to know I think the teachers have all done/are doing a great job. Please pass on my thanks to them all.

Well done to all staff on such a well organised job in this terrible situation, thank you for caring for our kids, wishing you all a Happy and safe Easter.

The Edmonds Family would like to express their sincere thanks and appreciation to all the hard working, caring and amazingly special staff of St Norbert College. We are extremely grateful to each and every staff member. A big, heartfelt thank you and may God bless and guide you all. You are shining stars for our families through this dark cloud. Congratulations and well done!

You are all incredibly amazing. We greatly appreciate all your support, hard work and dedication. This week, although unique, has been easy with your guidance.

Thanks for the smooth transition over to the remote learning platform. Apart from not seeing her friends, there has been minimal stress for Anetka during the process. Of all concerns at the moment, school is the least of our worries as your team has taken over and shown all is under control - we really appreciate it and when comparing notes with friends, we see we are one of the few that seem to be so organised.

Wishing you all the very best, stay safe and let's hope and pray that our lives will return back to normal in the not too distant future.

Thank you to all the staff for their dedication in preparing at home learning opportunities and for being the 'essentials' at this difficult time!
