## WHAT'S BEEN HAPPENING

At TeamKids this week Paula our resident chef had to redeem herself after a failed apple muffin attempt. We had the children and even parents spitting it out in disgust. I am pleased to say that she did redeem herself and the apple muffins tasted like apple muffins and not bi carb soda muffins. We also had our boat building challenge, and the kids were really getting into it. We had 4 teams who made boats that floated. Taira, Mikayla and Abigail, Clarence, Amaya, Grace and Madhvi, all won themselves a prize for building a boat that floated.

Vacation Care Bookings are now open via FullyBooked so if you are interested in any of the exciting and engaging activities, we have on offer these school holidays, then book in now. The full schedule can be found on the TeamKids website if you search for Essendon North PS as the venue name.

Each Friday our TeamKids badge winners are announced who have displayed one of our five TeamKids qualities; Innovative, Involved, Genuine, Fun and Remarkable.
