### RE: ST BEDE'S COLLEGE – PRINCIPAL APPOINTMENT

We have great pride in the achievements of the College, ably led by Br Garry Coyte and supported by all the teaching and support staff. Br Garry has indicated that next year, his 11<sup>th</sup> year as Principal, will be his last at the College. Over this time our school has made great strides in teaching and learning; expansion of our facilities and class streams; care of our students; and their development into young adults.

The School Board has consequently commenced a process for selection and appointment of our next school principal, who will be appointed with the approval of the Br Visitor (Provincial) of the De La Salle Brothers. We are developing an updated recruitment package that includes a position statement. Over the coming weeks we will be consulting various groups within the school community to seek feedback on the key features of this important role.

To ensure all parents and carers have the opportunity to provide input to the process, we will shortly distribute details of a survey that provides a mechanism for feedback. We encourage you to participate – all feedback is valuable. Further details will be released shortly.

These are exciting and positive times for St Bede's College and the entire school community. As a Board, we will provide regular updates on the selection and appointment process of our next College Principal.

Yours sincerely

Anthony Brinkley  
CHAIR  
St Bede's College Board
