

## VET Application for Year 10 selections 2021

*This form must be attached to the student's Subject Selection Form*

**NAME:**

**VET Course you want to do**

Reason why you are interested in studying this course:

I have read and understood all the requirements and arrangements stated in the 2021 Year 9 & 10 Handbook book involved in doing a VET course (e.g. costs, times and place of study, work placement, etc.). I am aware there may be a fee involved should my child withdraw from their VET course after **Friday 19<sup>th</sup> February, 2021**.

The courses listed in the handbook are 2020 prices and are subject to change for 2021. 2021 costs will be communicated to families during Term 4, 2020. Families will then confirm their enrolment with the VET/VCAL Coordinator.

All students applying for VET Courses will be interviewed by the VET/VCAL Coordinator who will determine their suitability for the course. Students' level of literacy and numeracy will be assessed as part of their application. Final approval for VET courses will be granted by the VET/VCAL Coordinator in consultation with the training providers and Director of Studies.

## ARRANGEMENTS FOR VET STUDENTS DOING VET COURSES

---

### TAFE and HDSC

#### Classes

- Classes begin for VET students (VET) studying at TAFE and HDSC usually in Week 2 of Term 1.
- Students are bussed to TAFE and HDSC and are responsible for making their own way home at the conclusion of classes
- Students are bussed to TAFE and HDSC and are responsible for making their own way home at the conclusion of classes
- Students who have to leave a VET class early due to a special need, e.g. medical appointment need to bring a note to school and have it signed by either the Year Level Coordinator or the VET Coordinator, and then present it at the front desk when signing out to have it stamped by the school. This can then be taken to TAFE or HDSC and given to the teacher as it has the school's approval.
- Students going to TAFE and HDSC are expected to gather their bags, lunches and materials needed for the course and leave class at the appropriate time to be at the Monivae bus exchange on time for departure.
- It is the students' responsibility to catch up on the work of any classes missed while off campus doing these VET studies. Thus students need to develop a good working relationship with the teacher of classes missed in order to complete all the missed subjects required work.

#### Payments

##### TAFE

Payments for materials need to be taken to TAFE on this first day so that students can be issued with their books and other such materials. To get the VET invoice you need to go into the website [www.swtafe.vic.edu.au/VETiS](http://www.swtafe.vic.edu.au/VETiS) then click on your VET course icon and go into course requirements

##### HDSC

Payments will be payable to Monivae College and will be invoiced separately to school fees.

##### RIST

This program is undertaken by means of a training contract with an employer; a Training Plan is signed by the school and formally registered with the Victorian Registration and qualifications Authority (VRQA) and leads to a nationally recognised qualification. In 2020, Year 10 students attend RIST on Fridays 11am to 5pm and Year 11 & 12 attend RIST on Tuesdays 1pm to 5pm or evenings 3.30pm to 8.30pm. During the school hours, the RIST bus collects and returns students. On occasions, there will be block sessions at RIST for which the students will need to find their own transport.

##### Other Providers

Students are generally responsible for arranging their transport to the facility. Arrangements regarding times, etc. are confirmed in consultation with the school.
