

# Free Tennis Coaching for females over 18 at Burnt Bridge Tennis Club

We have secured a government grant to be used for women learning to play, and getting back into playing tennis.

Some of the money will be used for coaching for beginners in a group setting during the day and evening and some for cardio tennis in a group during the evening.

If you would like to learn to play so you can hit with your kids or get back into it after a break then this is for you.

It will not be starting until mid-November but we need your details in before 19<sup>th</sup> October.

The second groups will be in Feb-March 2023.

Please email [\*\*membershipbbtc@gmail.com\*\*](mailto:membershipbbtc@gmail.com) if you or someone else you know (family, friends, workmates) is interested and you will be added to the list on a first come basis. Please state which group you are interested in and if day or evening suitable.

Also need name, address, mobile number and email address.

There will be limited numbers (maybe 6-8 in each group) over a few weeks.
