

KELLY CLUB AITKEN NEWSLETTER TERM 4

Hello everyone,

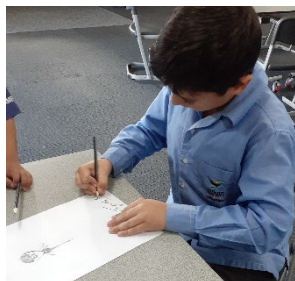

It's crazy to think that we have already hit the half way point of Term 4!

Our children have been kept very busy at Kelly Club the past 5 weeks. We celebrated our children during National Children's week but letting them pick the activities and decorating our weekly journal. The children loved being involved with the planning and got very creative.

A big well done to Taylan in Grade 4 who was our first-place winner in our drawing competition, although all the children who participated did a fantastic job!

We also celebrated the spooky season by joining in many different Halloween crafts, games and activities. The Kelly Club room was decorated which the children loved and were getting very excited to go trick or treating with their families.

During the past weeks we have learnt that the children have really been enjoying playing cricket. This was one of the sports we played during our Diwali week and it's continued throughout the weeks ahead. For many of the children this was their first time playing and it was great seeing them involved and giving it a go! It was also lovely to see the older children interact with the younger children by teaching and helping them play.
