

Kelly Club Aitken

Newsletter #4

Term 1, 2019

The children have had a lot of fun at Kelly Club over the past fortnight. We have celebrated the beginning of Autumn with some Autumn leave art and colouring in competitions. We have also celebrated our diverse cultures with our 'Countries around the world' theme. The children participated in a flag research and colouring activity where they represented and spoke about their cultural heritage. They also got a taste of Turkish culture by preparing and making some delicious Cacik Turkish Dip which they got to enjoy with Turkish bread. To end our culture week, the children all had an opportunity to learn a Hawaiian dance, they had a great time learning about other cultures. We look forward to learning and engaging with some more exciting themes and activities in the upcoming weeks.
