BEFORE AND AFTER SCHOOL SUPERVISION PARENT NOTIFICATION

Student safety at Korumburra Secondary College is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised from 8.30am -9.00am at the Bus Loop.

Other areas of the school grounds if staff are moving within areas.

After school: School grounds are supervised from 3.15pm-3.45pm at the bus loop and 3.15pm-3.30pm at the car loop. Other areas of the school grounds if staff are moving within areas.

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact the principal on 5655 1566 for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements.
