

LOCKLEYS NORTH PRIMARY SCHOOL COMMUNITY PLAYGROUP

Embark on your child's connection to the LNPS community by joining our playgroup, which runs during term time and welcomes everyone. The playgroup offers a chance for babies, toddlers, and families or caregivers to connect with our community while participating in enriching hands-on activities. Led by Lauren, our exceptional Early Years Educator, this welcoming playgroup environment provides an excellent opportunity to gain insights into our school community. We invite you to be part of this wonderful experience.

Playgroup is every Tuesday 1:30pm - 3:00pm at Lockleys North PS in our Library (Tirkandi).

What to bring: Please bring a healthy snack and water to playgroup each week. As the weather warms up and UV increases, please also remember to bring a hat and apply sunscreen to your child.
