

KELLY CLUB AITKEN NEWSLETTER TERM 1

Welcome back everyone!

We hope everyone enjoyed their Summer holidays, and look forward to getting back into the swing of things.

We would like to welcome all new families and children to the program. We hope you enjoy your time spent at Kelly Club.

Over the Summer holidays, Kelly Club was jam packed full of different crafts, games, excursions and incursions. To highlight some of the fun activities the children were engaged in were, Christmas crafts, going on the Melbourne River cruise, ice skating, learning tennis skills and firstaid, group games, making yummy treats and own lunches, designing pencil cases, bags and clothes and lastly having a water fight.

We also had children from other schools attend the program during the holidays. It was great to see new friendships being made and children having a great time.
