## CHRISTIAN SCHOOL

15<sup>th</sup> October, 2014

Dear Parents and Guardians,

### **BYOD (BRING YOUR OWN DEVICE)**

As you may be aware, it is a requirement of all secondary students to bring their own digital device, such as a laptop or tablet, to School.

You are free to purchase a digital device of your choice but it is imperative that the device meet our minimum specifications, including 6 hours battery life. A minimum specifications sheet is attached.

To assist families in preparing for the coming years, we have a number of outstanding offers available. Attached is information regarding the 2 laptops available for purchase.

The extended 3 year warranty and Accidental Damage Protection is an exclusive offer to BHCS families and is highly recommended.

Should you wish to purchase a Lenovo Thinkpad Yoga 11E, please complete the attached Agreement, selecting your choice and return it together with payment as soon as possible. To ensure delivery prior to the commencement of Term 1, please have orders in by no later than 1<sup>st</sup> December.

Please be aware that the School is only acting as a purchasing agent. The ownership and responsibility for these laptops will be yours. The extended warranty and technical support is provided directly through Lenovo.

For more extensive information, including free software resources please visit the School's website, [www.bhcs.vic.edu.au](http://www.bhcs.vic.edu.au) via the 'BYOD' link. For information regarding payment, please contact me. For information regarding the laptops or operating systems, contact Dave Wilson. We are both available at School or on 9754 6435.

Kind Regards,

Liz Stewart  
Assistant Business Manager

# LENOVO THINKPAD YOGA 11E

## Exclusively available to BHCS families

This year, we have sourced two great options for our BHCS families. The Lenovo Thinkpad Yoga 11E, is a great asset for your child's secondary school needs.

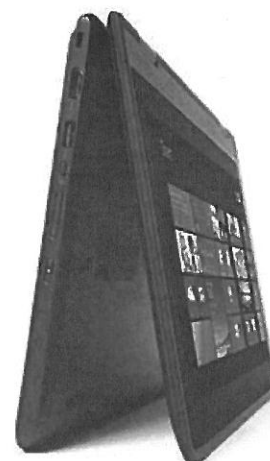

To cater for the varying financial constraints of families, we have chosen the Thinkpad because it is available in 2 formats, Windows 8.1 and Google Chrome. The 2 versions look identical but work on different operating systems. The specs of each machine are set out below.

## Rugged and ready for students

Computers in schools take a lot of abuse. So Lenovo has developed the rugged ThinkPad Yoga 11e laptop to perform and last longer, even under the roughest handling. They truly perform with powerful Intel® processors and run on Windows or Google Chrome Operating Systems.

The Yoga 11e, is fully flexible, with 4 versatile modes – laptop, tent, stand and tablet.

## Key Specs

Windows 8.1	Google Chrome
<ul style="list-style-type: none"> <li>Intel® Celeron® N2930 processor</li> <li>Operating system Windows 8.1</li> <li>8Gb RAM</li> <li>128GB SSD</li> <li>11.6" HD LED IPS touch (1366 x 768)</li> <li>720p HD webcam</li> <li>Up to 8 hours battery</li> </ul>	<ul style="list-style-type: none"> <li>Intel® Celeron® N2930 processor</li> <li>Operating System Google Chrome OS</li> <li>4Gb RAM</li> <li>16Gb SSD</li> <li>11.6" HD LED IPS touch (1366 x 768)</li> <li>720p HD webcam</li> <li>Up to 8 hours battery</li> </ul>

## Designed to last – rugged and ready for students

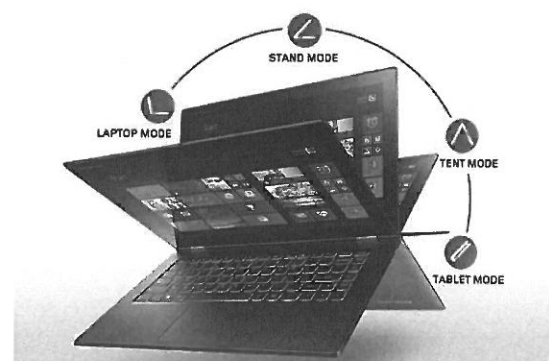

- Rubber bumpers protecting top cover
- 50% stronger corners
- Durable Dragontail glass display protection, minimising scratches and damage

## Exclusive 3 Year Warranty,

## Accidental Damage Protection & bag

**These options are strongly recommended as accidents do happen!**

With this extensive warranty and insurance, your laptop will be covered not only for extended warranty but also for accidental damage. Please see over the page for full details.

## **3 Year Warranty & Accidental Damage Protection**

\* Lenovo's Accidental Damage Protection gives you the peace of mind to know your investment and budget are protected from the hassles of unexpected damage expenses. Accidental Damage Protection protects your investment from operational or structural damage due to common accidents like drops, spills, electrical surges or failure of the integrated screen. Accidental Damage Protection repairs are carried out by Lenovo trained technicians, using Lenovo approved parts. If repair is not possible, the entire system will be replaced at no additional charge (subject to terms and conditions).

\*\* All Lenovo warranties include 24/7 phone access to customer support and full coverage on labour, parts and system repair for all manufacturer defects or common-use issues that arise with your Lenovo Product. If an issue cannot be resolved by phone, Lenovo will dispatch a certified technician to attempt repair of your machine at your location with no shipping involved. This service provides parts and labour repair coverage where labour is provided onsite at BHCS or at home during school holidays. If Lenovo determines your product problem is covered by the product warranty and cannot be resolved over the telephone or with a customer replaceable unit, repair will be made onsite, typically the next business day. Service is available during Lenovo's normal in-country business hours. Calls received after 4:00pm local time will require an additional business day for service dispatch. On-site service is available in metropolitan areas only. Next business day service is not guaranteed.
