

The Australian Colonies

****HOMEWORK EXPECTATIONS****

WEEKLY TASKS:

*Each week, students will have a selection of tasks to complete as homework.
There is an **Inquiry** focus, a **Maths** focus and an **English** focus.*

INQUIRY:

*This term's Inquiry homework is based on researching the **Australian Colonies - History & Change**. Each week you will complete a section of a timeline over the period of 1800- 1920. At the end of term, each section will be joined together (at school) to form a timeline from 1800 - 1920. These will be on display in the senior gallery area.*

The requirements of each timeline are:

- *A **minimum of 5 facts**, including interesting dates and information*
- *These dates may include significant individuals (birth date, place of birth etc.)*
- *Who came to Australia and why did they come?*
- *Significant Aboriginal and Torres Strait Islander figures and/or events.*

These timelines must include at least one picture (drawn and / or printed) and written information.

MATHS:

Each week you will be provided with a range of Multiplication and Division Challenges. You will need to time yourself completing the whole task.

EXTRA CHALLENGE: *try to beat last week's time!*

ENGLISH:

Reading - *ensure you are reading regularly, preferably on a daily basis. You can record your reading pages on the Reading Log each week.*

Spelling - *Select 5 words from your personal writing for you to focus on each week. Complete LSCWC on each word and place them into sentences on the week's page. You may complete a spelling test with a family member.*
