Dear Parents and Carers

The support of parents is very welcome in Year 1 and we would like to invite volunteers to be a part of our literacy program. We require helpers in our classrooms to support the students' reading.

Volunteers are required Monday, Tuesday, Wednesday, Thursday and Friday from **9:00**, for approximately 20 minutes.

We welcome mums and dads as well as grandparents. Please note that you will be required to have completed a Working with Children Declaration available from the school office.

If you would like to volunteer, please indicate below which day/s you would like to come into our classrooms.

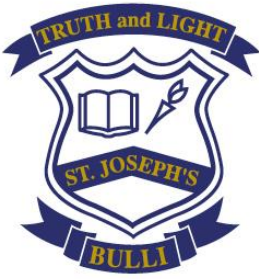

Please note that we will strive to have you read with your child but this may not always be possible due to other learning occurring within the classroom.

A brief meeting will be held with Mrs Charadia before the first sessions begin to welcome you, outline the purpose of the program and discuss the need for confidentiality for the learning of all students.

Please return this form by Tuesday 26 April 2022 so that we are able to organise a timetable to be distributed to you early Term 2.

Thank you for your continued support.
