Dear Parents and Carers

I hope this letter finds you in good health and high spirits. I am writing to express my gratitude and excitement at being a part of the Christ Our Holy Redeemer School community. As a new member of the school, I am eager to contribute to the academic and social growth of the students, and I feel privileged to be a part of such a vibrant and dynamic educational institution.

The warm welcome extended to me by the staff, students and parents has already made me feel like an integral part of the Christ Our Holy Redeemer School family. I am truly impressed by the dedication and passion exhibited by the staff and the sense of camaraderie among the entire school community.

I am looking forward to leading such an exceptional school community over the next 12 months while Brendan Welsford is on leave. He will be returning in 2025. I am enthusiastic about the opportunities for professional development and collaboration that COHR offers. I am confident that the innovative and student-centered approach to education practiced here will provide a stimulating environment for both personal and professional growth.

I have full confidence in our school leadership team. Our strong leadership team has a significant impact on the overall success and well-being of the school community, including students, teachers and parents. If you have a specific reason or if there's anything in particular you'd like to discuss with myself or a member of the leadership team, please feel free to do so. As always at COHR, our doors are open. Continued effective communication and collaboration between the leadership team and the rest of the school community contributes to our successful and supportive learning environment.

I am looking forward to contributing my skills and experiences to support the school's vision and the exciting school directions. Together, I believe we can continue to create a positive and enriching learning environment for our students. I am excited to collaborate with my colleagues to inspire and empower our students to reach their full potential.

Once again, thank you for the warm welcome and the opportunity to be a part of the Christ Our Holy Redeemer community. I am excited about the journey ahead and committed to making a positive impact on the lives of our students. I look forward to working with you for the remainder of the school year.

Regards

Brian Martin
