Around the Grounds

6A

6B

Boys put on a great display of grit and determination on Saturday. Faced with heavy winds and a very hot day the boys upped their physicality in the contest and took some beautiful intercept marks. The boys won despite having three boys sent to the medics throughout the game and a gutsy effort from all 12 on the pitch.

6C

Great start to the game kicking 4 first quarter goals but we had to dig deep hold strong as the opposition came hard in the last quarter.

6D

Great even contest today. Had a lot of the ball unfortunately didn't find the goals early in. We had a strong third quarter to bring home the win.

5A

Clinical from the opening bounce. Dominated in every position of the ground. The boys have been training hard and it has started to show during games. Well done boys!

5B

Backing up after a great last second win last week the boys started a slow first quarter being held scoreless and conceded 20 points. Coming out after quarter time it was all Marist for the rest of the game kicking 11 goals 3 singles and keeping SPC scoreless.

5C

Today the 5Cs won not only the game - but every single quarter! It was very exciting to see progression with defence as the boys prevented the other team from scoring completely in quarters 2, 3, and 4.
