

Wagga School Leaders Program

Wagga School Leaders Program is a Committee for Wagga initiative supported by local businesses and the Charles Sturt University.

The Program's objective is to develop young, aspiring high school students into positive, successful ambassadors for the city. Students participating in the program attend seven modules over 6 days during the course of six months, with each module of the curriculum designed to achieve different learning outcomes.

The Program engages students in a series of challenging mental and physical exercises including abseiling at the Army Recruit Training Centre Kapooka, workshops, lectures, regional industry excursions and mentoring sessions to develop their capacity to become successful leaders and community representatives.

If you want to be an Ambassador for Wagga Wagga and have a desire to develop your leadership skills, grow in confidence and learn to take your opportunities this program is for you!
