1300 Apprentice

Working with large and small employers, 1300apprentice connects apprentices and trainees to the right employer. A for-purpose organisation with over 30 years of experience in the Vocational Education and Training industry across 40 vocations, it's their industry connections that make them reputable.

Academy of information Technology (AIT)

As a higher education provider, AIT has three campuses: Sydney, Melbourne, and the cloud. Their Sydney and Melbourne campuses house an industry-grade postproduction studio, green screen room and large design and animation studios, as well as modern light-filled classrooms. They also provide online classes to work around your lifestyle.

Academy of Interactive Entertainment (AIE)

The Academy of Interactive Entertainment (AIE) is Australia's most awarded 3D animation, game design and visual FX educator. Created as a non-profit organisation to grow the creative digital sector, AIE pioneered the development of specialist game qualifications and continues to innovate through industry partnerships and dynamic teaching. AIE courses are practical, career-focused and delivered by industry experienced teachers in a studio environment.

Academy of Music and Performing Arts (AMPA)

Educating and inspiring young artists for over 20 years, AMPA remains committed to providing the highest quality in undergraduate and postgraduate degrees focussing on the performing arts, including contemporary, jazz, and classical music, dance performance (modern, ballet, jazz, contemporary and hip hop), music theatre, composition/music production and arts management.

Apprenticeship Careers Australia (ACA)

Apprenticeship Careers Australia (ACA) is Australia's leading employer of apprentices and trainees. They have successfully placed over 3,500 apprentices and trainees with host businesses since its establishment in 2011. At ACA they provide businesses with a time saving, cost-effective and risk-free solution for hiring an apprentice or trainee. They take on the hard work and administration of recruiting and employing an apprentice or trainee.

Apprenticeships Are Us

Apprenticeships Are Us is a Group Training Organisation (GTO) that has been supplying quality apprentices to the automotive industry for over a decade. Working with Commonwealth and State Governments, Registered Training Organisations, and the school system, they are at the forefront of addressing the skills shortage in the automotive industry.

Australian Catholic University (ACU)

In a world of mass production, ACU stands for meaningful education, rewarding research, and life-changing community engagement. Their mission and values form the core of who they are as a Catholic organisation. Their faculties and institutes are focused on producing world-leading research in the priority areas of education, health, and theology and philosophy.

Australian College of Physical Education (ACPE)

ACPE is Australia's leading provider of specialist undergraduate and postgraduate degrees in the related disciplines of sport, dance, and physical education. As an independent tertiary institution located in the centre of Sydney's internationally renowned Olympic Park precinct, ACPE attracts individuals from around Australia and the world who wish to launch or further their careers in the sports sector and its related professions.

Australian Defence Force

The Australian Defence Force is one of the world's leading military organisations. They fulfil key defensive roles as well as providing a range of peacetime services. The ADF provides a formidable military capability built upon expertly trained personnel and technically advanced vessels, vehicles, aircraft, and weapons. Working in close cooperation, the Navy, Army, and Air Force are tasked with the defence of our nation, its borders and coastline, our people and their values, and our way of life.

Engineers Australia

Engineers Australia is the peak body for the engineering profession in Australia. With approximately 115,000 individual members, they are the voice of the profession. Their mission and vision for the future is to continue to advance the science and practice of engineering to benefit the community.

EP and T Global

EP&T Global is a world leader in reducing energy consumption and carbon emissions for businesses operating in the built environment. They have pioneered and refined the technology over the last 25 years to extract, analyse and report IoT data to reduce building energy use – saving money and the environment in the process.

International College of Management Sydney (ICMS)

The International College of Management Sydney (ICMS) is a higher education institution with campuses in Manly and Sydney's business district. ICMS is a leader in career-focused, quality education and offers undergraduate bachelor's and postgraduate master's degrees in Business.

Macquarie University

Macquarie is proudly a university of service and engagement - engaging students and staff through transformative learning and life experiences, and serving the world through discovery, dissemination of knowledge and ideas, innovation, and deep partnerships. As well as starting to carve out a fabulous career for yourself, at Macquarie University you'll have opportunities to travel the globe with their support and undertake an internship.

MedEntry

Dr Ray Boyapati and Dr Ann Deely excelled in their UCAT exams, both obtaining the 100th percentile and scholarships to study medicine. They realised hundreds of students were facing the same stressful and potentially career-damaging process, year after year. They knew there had to be a better way of supporting students. In response they set about creating a high quality and comprehensive medical entry preparation program.

NECA Training and Apprenticeships

NECA Training and Apprenticeships specialise in Electrical and Telecommunications training. It was founded to promote the employment of young people into the Electrical trade. Apprentices are employed by NECA, with training being provided by host employers.

NSW Police Force

The mission of the NSW Police Force is to work with the community to reduce violence, crime, and fear. They aim to protect the community and property by preventing, detecting, and investigating crime, monitoring, and promoting road safety, maintaining social order, performing and coordinating emergency and rescue operations.

SEDA Group

The Western Sydney Wanderers, Sydney FC and the Sydney Kings are partnered with the SEDA Group to bring you a one-year dual Diploma Program in Sport and Business. The program is designed to give students the opportunity to study in a practical, hands-on learning environment, and gain real experience in the sports industry alongside SEDA's partners.

Southern Cross Catholic College

Southern Cross Catholic College Burwood is an innovative Catholic co-educational secondary college. Students attending the college combine campus-based learning with real-life, work-based learning – they combine studies for senior school HSC qualifications with higher level national qualifications at Certificate II and Certificate III level.

Surveying Careers

Surveying Careers believe that being a surveyor isn't just a career, it is a profession that is critical to the ongoing development of Australia. These careers are in demand right now. Surveying Careers represent the industry for both the public and private sector. They can provide a clear pathway from study to full time career.

Sydney Flight College

Sydney Flight College in partnership with Sydney TAFE deliver the AVI50415 Diploma of Aviation (Instrument Rating) and the AVI50215 Diploma of Aviation (Commercial Pilot Licence - Aeroplane) on a full-time accredited aeronautical knowledge training and practical flying training timetable.

Sydney Uni Sport and Fitness (SUSF)

SUSF manages and administers more than 40 sport and recreation clubs, organises sporting and recreation events and offers a comprehensive range of sporting facilities to students. Past St Patrick's College students have represented the University of Sydney in Rugby and Football. Speak to an ambassador to find out how you can trial for these teams while also attending the University of Sydney.

TAFE NSW

TAFE NSW is the leading provider of vocational education and training in Australia. They aim to provide high quality, personalised vocational education and training. They offer a range of vocational courses including short courses and certificates to Diploma and Advanced Diploma level. TAFE NSW is also registered as a higher education provider and offers degree level programs across a range of vocations.

Torrens University

Torrens University offer vocational and higher education undergraduate, graduate and specialised degree programs in a wide range of academic disciplines, delivering their programs online and on their campuses. They have two campuses in Sydney. They offer courses in design, health, hospitality, technology, and education.

UCAT NIE – The National Institute of Education

NIE has one goal in mind: to provide excellent assistance to medical applicants, medical students, medical specialists, and medical organisations. They provide experienced support for doctors in medical specialist fields who may require medical interviews, psychometric testing, or high-quality university or workplace applications.

University of Notre Dame

Notre Dame is a private Catholic University, located in the heart of Sydney. They provide students with the theoretical knowledge and professional skills which will empower them to realise their potential, build interconnectedness with all peoples and willingly serve the community through active participation, engagement and reflection.

University of NSW (UNSW)

UNSW are one of the top 100 universities in the world. Their teaching gains strength and currency from their research activities, strong industry links and their international nature. The main UNSW campus is located in Kensington. Other major campuses are Art & Design in Paddington and UNSW Canberra at the Australian Defence Force Academy.

University of Sydney (USYD)

Ranked in the top 50 Universities across the globe. Their flexible undergraduate degree structures mean students can find the right study path for them. Students can choose majors and minors outside their primary degree, work on real-world projects, undertake an international experience, access advanced coursework or boost their personal development through online workshops.

University of Technology Sydney (UTS)

UTS is a public university of technology defined by their support for the economic, social, and cultural prosperity of communities. UTS has a culturally diverse campus life and vibrant international exchange study and research programs that prepare graduates for the workplaces of today and the future. Their purpose is to advance knowledge and learning through research-inspired teaching, and partnerships with industry, the professions and community.

University of Wollongong

University of Wollongong is young, dynamic and innovative, and has become a benchmark for Australia's new generation of universities. They are globally recognised for delivering impactful research that drives positive change. They have campuses in Liverpool, the Sydney CBD and Wollongong.

University of NSW Co-op Program

Joining the Co-op community at UNSW enables students to form life changing connections and opens up a world of opportunities. As a scholar, not only do students gain academic and professional insight from alumni, older scholars, and the broader Co-op community, but they also start forming their professional and social network.

UTS Sport

UTS Sport is home to a range of sporting activities and elite facilities. Each year, sporting scholarships will be awarded to eligible student athletes including the Elite and Emerging Athlete Scholarship, High Performance Club Scholarship, and the UniSport Nationals Scholarship.

Western Sydney University (WSU)

Western Sydney University offers a range of study options within the arts and humanities, social sciences, cultural studies, computing, and entrepreneurial business and management. If you're thinking about university study, WSU offers an outstanding range of undergraduate, postgraduate and research options across 10 campuses in Sydney.
