## WELCOME BBQ ROUND UP!

---

Thank you to everyone who came out and supported the school with our first fundraiser for the year; it was great to see so many people enjoying the weather and the kids just being kids and having fun with their friends.

A **BIG** thank you to the parents and carers who volunteered their time to help cook and serve at the BBQ, without you, this event could not have happened.

Another big thank you to **Kelly Sports Metro South East-Melbourne** for donating their time to keep the kids entertained- check out their after school program at MPS every Monday.

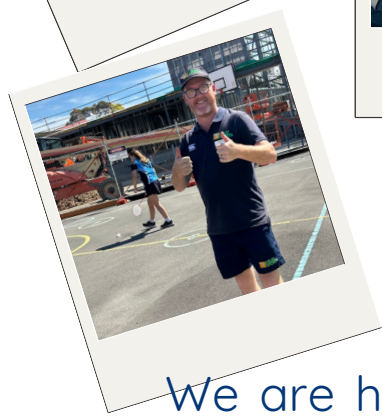

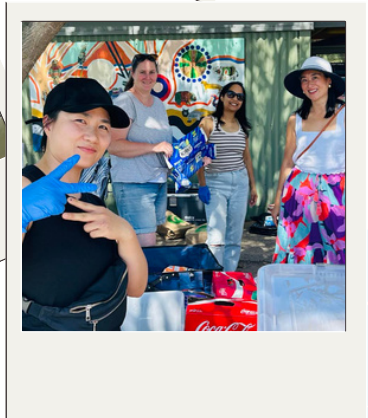

Thank you to **Rokabye** for their amazing face painting- loved seeing all the amazing work running around the grounds!

---

We are happy to announce that we raised a total of \$857.25 on the day- great start to the year!

We look forward to more community events as the year rolls on, so stay tuned!

SO WHAT'S NEXT!?!.....

# UPCOMING EVENTS

## EASTER

We have some plans for celebrating Easter- **more to come after our next P & F meeting on March 14th**- please come along if you can make it.

## SPECIALIST TEACHER BIRTHDAY FUNDRAISER!

We have so many fabulous staff working at Moorabbin Primary School, obviously the wonderful classroom teachers, but we can't forget the specialist teachers, the aides, tutors and admin staff who help keep the school running. This year, we are continuing to recognise these amazing people, by acknowledging their birthdays with a little something from the school community.

If you are able to help and would like to, please head to; <https://app.grouptogogether.com/MPSSpecialistTeachersOtherStaff>

You can donate at any time throughout the year and there is no minimum amount, and no obligation-the gift is still from the entire school community regardless.

(those whose birthdays have passed, will still be acknowledged).

## MOTHER'S DAY!

A few exciting events are in the works for Mothers day! Watch out for more details to come about the super successful Mothers Day Luncheon that will be back again this year by popular demand!

The Mothers Day Stall is also a massive highlight of Term 2 for the kids—who doesn't love a shopping trip? **This year, we're aiming for a nearly 100% sustainable Stall, and we need your help!**

**Join us for a super fun crafternoon on Monday the 24th of March or our craft evening on Wednesday the 26th of March.**

No crafting skills are required! —just bring your enthusiasm! We'll guide you through the process.

By participating, you'll help create fantastic items for the Stall and promote sustainability in our community. Let's make this year's Stall the best yet!

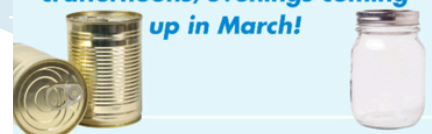

As part of this sustainable push we are asking for donations of tins for something pretty special!

## RECYCLE YOUR JARS & TINS

*Help us make our Mother's Day stall a sustainable one.*

*Donate your clean food tins and glass jars via the tub in the main office and we will recycle them into something fantastic!*

*Want to help us stock the stall? Look out for our two crafternoons/evenings coming up in March!*
