

What's been happening...

Dear St Augustine's community,

We hope you had an amazing Spring Holiday!

Congratulations to the AFL fans whose teams made the finals. Go Pies!

Holiday Program was very successful. We had big numbers every day. Many days reaching our capacity of 60! Please see photos of our students and nearby schools engaging with fun activities and learning opportunities.

For example, we ventured to Melbourne Zoo and had a Marine Biologist visit us bringing lots of ocean artefacts, including sea turtle shell, skeletons and a baby whales' rib. It was brilliant!

Just like Holiday Program, booking your child In to Rise and Shine or Stay and Play, means they will do the things they want to do. Our Children's Meeting held every week documents what they want to learn, what adventures they want to experience and foods they want to eat (with a healthy twist)!

Book now using the Early Bird feature as the Last Minute booking Incurs a slight fee.

We hope to see you for Term 4 fun!

Poppy and Laura

Our lovely Poppy celebrated her 10 years at OSH Club! We thank her for everything.

Coming Up

OCT
14

**Dog Lovers Festival at
Exhibition Centre and
Australian Referendum**

OCT
16

**Swimming Program Prep - 4
Starts for St Augustines**

OCT
26

**Colour Fang Run and Family
Picnic**

On Thursday afternoon we celebrated Poppy's 10 years of working at the service. I'm sure many students, parents and staff agree this is a huge achievement. We are really blessed to have her go above and beyond for this community.

Thanks Poppy!

Laura and OSH Club Staff
