President: Brooke Ary

If you're looking for a physical activity to get your child up and moving, basketball is a sport that your boy or girl can start at an early age. St Anne's Avengers Basketball club is a volunteer-run, local community club that welcomes all boys and girls aged from 5 upwards to play in competitive games through the Frankston and District Basketball Association.

Playing basketball helps children in many ways

- It is a complete physical activity, involving running, jumping, agility, ball skills, and hand/eye co-ordination and building skills that form a basis for lifelong enjoyment of sport.
- It builds skills in team work, instils an appreciation of effort and builds confidence.
- It builds friendships with classmates, children from other year levels and the surrounding community. Even if you don't know anyone who is already playing, we will find you a place in a team.
- Being part of a local club builds a sense of community, introducing parents and whole families to each other.

Children are split into boys and girls and age groups according to their year of birth.

- U8s
- U10s
- U12s
- U14s
- U16s

There are also many divisions within each age group which take into account the experience and skill level of each team. St Anne's Avengers often field complete teams of beginners with the kids learning and continuing on playing for many years.

Training: one afternoon session each week. Times and venues are selected in consultation with team members as much as possible.

Games: played indoors against other local teams at Frankston Stadium or at a selection of local schools in the area on Saturdays – younger age groups are usually earlier in the morning, with older kids later in the day.

Each team has a volunteer coach and team manager who hold current Working With Children Checks and will guide and teach the children the skills needed to play the game.

The year is split into two seasons. Winter Season: Term 2 and Term 3 and Summer Season: Term 4 and Term 1.

Registrations for Winter Season 2021 are open via the following link

<https://www.playhq.com/basketball-victoria/register/18f055>

The costs to play for the Avengers for Winter 2021 are:

- Registration – payable to Basketball Victoria: \$25.00 (yearly subscription)
- Fees: \$200 per season - Fees are all inclusive of team registration fee, team sheets, end of season events, participation awards and club administrative costs.
- Reversible Playing Singlet: \$53.00
