We have implemented strict infection prevention and control measures to reduce the risk of spreading infections guided by the Health and Education Departments

- Children who are unwell and showing symptoms of COVID or have been directed to isolate are not to attend the service
- Each child will have their temperature checked upon arrival. If a fever of 37.5 celcius is detected entry will be refused and school notified.
- Social distancing of staff
- Regular cleaning of surfaces
- Regular washing of hands
- Hand sanitiser available near all "high touch areas"
- All staff have received additional training in infection control and supporting children through the pandemic
- All adults are to wear masks when picking up or dropping children at the door
- Staff are to wear masks when travelling to work

All parents/guardians are to sign children at the table placed outside the service door

Primary school students are not required to wear masks while they are at school

even if they are 12 years of age. They should, however, wear their mask when walking to and from school. Students of any age who wish to wear a mask are most welcome to do this.

All staff must wear masks when on the yard or walking around the school but this is not required during indoor time.

#### **Changes to bookings**

We understand your needs may have changed since Stage 3 and 4 restrictions were introduced

Please confirm your booking via our website [www.ylv.com.au](http://www.ylv.com.au) Skoolbag or your Lead Educator

Families will not be charged for absences for the remainder of Term 4

Could you please pack a spare hat in your child's bag for Outside Schools Hours Care.

In St Anthony's PS (OSHC care) we encourage our children to do their homework and reading time as part of our program. OSHC Care program plan is flexible and will be adapted according to the identified needs of the children on the day. Free play and child initiated play is also a supported and facilitated by staff on a daily basis.
