Boarders of the Fortnight

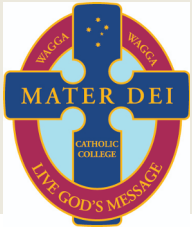

Harry Hart

Penny Khoury

Congratulations to our latest 'Boarders of the Fortnight' Harry Hart and Penny Khoury. Harry who is in Year 10 won the Boys' Boarder of the Fortnight for being a fantastic story teller, polite and well spoken to staff. Harry has been focused on his studies, works hard and is not afraid to ask for help when needed. He is very popular amongst his peers and shows respect towards his boarding mentors. Harry has settled in well to the structure and routine of the Boarding House. Well done Harry.

Penny won the Girls' Boarder of the Fortnight for being making such an effort on working hard and focusing on her studies during the evening academic enrichment program. Penny has also started the year in boarding with an excellent, positive attitude. She always completes her duties without having to be asked and quite often will do extra work than what is required. She has also been very respectful towards her boarding mentors. Well done Penny, keep up the great work!

Introducing our new GAP Assistant, Jannes de Necker who is from Cape Town, South Africa.

Jannes will be with us for the year and his primary role will be helping out with our junior boys. After his year here at Mt Erin Boarding House, Jannes would like to return home and attend University. His favourite food/meal is a steak. His favourite colour is Blue. Jannes would like to meet as many new people as possible and build good relationships while he is here on his GAP year. If Jannes could invite three famous people to the Boarding House for dinner, he would invite; Steve Smith, Roger Federer and his girlfriend!

Welcome Jannes, we hope you enjoy and make the most out of your experience here in the Boarding House!

Reach out. Give life.

A very sincere thanks to the generous students of
MOUNT ERIN BOARDING SCHOOL
WAGGA WAGGA
 who put all their 50 cent coins into a Mission Box
 and thereby raised
\$55
 toward the purchase of another school bus to help the
 children of St John's School, Hakha, Myanmar, to get
 to school.

Congratulations to our senior boys who have kindly raised and donated \$55 to the Catholic Mission to help fund the purchase of another school bus for the children of St John's School, Hakha, Myanmar. The boys collected any loose change they had lying around over a period of time and put it in a bucket set up in the senior boys wing of the Boarding House. Once the bucket was full they donated it. This was a great initiative, lead by our boys leadership group. Well done boys!
